Dear Ms. Haab:

CLEC applicants are required, by statute, to demonstrate their managerial, financial and technical abilities to provide the services for which they seek authority. To assist the Authority in its review of EveryCall Communications, Inc.'s ("EveryCall") application for a Certificate of Convenience and Necessity to provide competing telecommunications services in Tennessee, you are requested to provide the following information:

- 1 Please provide additional Pre-Filed Testimony detailing funding that is available to EveryCall for now and for future use? Please provide a copy of any documents endorsing the funding or any additional resources.
2. Provide an expanded, more detailed pre-filed sworn testimony describing EveryCall's financial and technical ability to provide telecommunications services in the State of Tennessee
3. Please provide projected financial statements for the first three years of operation including Balance Sheet, Income Statement and Statement of Cash Flow.
- 4 Please provide a Statement of Cash Flow for year end 2003.
- 5 Please file a tariff which will be informational only, not an official tariff filing. A Tariff should be filed subsequent to the approval of the application and should have an effective date.

Please provide this information by October 22, 2004. If you have any questions concerning this request or need additional information, please call Patsy Fulton at 615-741-2904 ext. 193

Sincerely,
